Connector	Mesh Bag	User Guide & Safety Instructions					

PRODUCT DESCRIPTION
The BISSELL® MultiClean™ Professional Wet & Dry vacuum is the perfect multi-function vacuum for those wanting professional results in and out of the home. It provides powerful 1500 W wet and dry cleaning. With 23 L of capacity, messes large and small can be cleaned with ease. Whether the mess is wet or dry the MultiClean™ Professional has the tools to get the job done. Combine the high power 11 Amp motor with the combination floor tool for excellent cleaning on hard floors, area rugs and low pile carpeting. The wet floor tool is designed for cleaning up wet messes, large or small. For above floor cleaning, a dusting brush and crevice tool are conveniently stored on-board for easy access. The blower function allows for easy removal of leaves and other larger debris from outdoor spaces. With a full range of specialized tools, the MultiClean™ Professional Wet & Dry vacuum is designed to easily clean vehicles, boats, garages, workshops, basements or even an apartment. And the durable metal tank will last a lifetime.
