**EN** GoodHome Baila Vinyl click flooring replicates real tiles. Each plank is 4mm thick, with a 0.2mm top wear layer to protect it from use. This flooring is perfect for all rooms including kitchens and bathrooms. It is easy to lay with simple click fitting system installation, plus it can be cut easily with just a utility knife leaving little mess. Flooring should be built to last that's why we've guaranteed ours for 15 years • Stone plastic composite (SPC) • Before you start: check each pack for any manufacturing faults; any faults should be reported back to the store for a replacement prior to the flooring being installed. Suitable for moderate foot traffic, i.e. bedrooms and living room. This flooring is also compatible with water-based underfloor heating systems up to 27C. This flooring is not suitable for use in areas that are exposed to prolonged periods of direct sunlight, e.g. conservatories or near a bay window • Tools required for the fitting: spacers (10mm), utility knife, spirit level, metre ruler and a rubber mallet • Made in China • All figures are approximate.

**FR** Le sol en PVC clipsable Baila de GoodHome imite le carrelage. Chaque lame mesure 4mm d'épaisseur, avec une couche d'usure supérieure de 0.2mm pour la protéger de l'usure. Ce sol convient à toutes les pièces, y compris les cuisines et les salles de bains. Facile à poser, grâce au système de pose clipsable. Le sol peut être facilement découpé à l'aide d'un simple cutter, pour travailler sans faire de salissures ou de poussière. Les sols doivent être conçus pour durer, c'est pourquoi les nôtres sont garantis 15 ans • Composite de pierre-plastique (SPC) • Avant de commencer, inspecter chaque carton pour vérifier qu'il n'y a aucun défaut de fabrication. Tout défaut doit être signalé au magasin pour obtenir un remplacement du produit avant la pose du sol. Adapté à une fréquence de passage modérée, comme dans les chambres et le salon. Ce sol est également compatible avec le chauffage au sol à eau chaude en dessous de 27 degrés. Ce sol n'est pas adapté à une utilisation dans des zones exposées directement et de manière prolongée à la lumière du soleil (ex : dans des vérandas ou près d'une bay-window) • Outils nécessaires pour la pose : cales de dilatation (10mm), cutter, niveau à bulle, règle graduée et maillet en caoutchouc • Fabriqué en RPC.

**PL** Podłoga winylowa GoodHome Baila z systemem montażu na klik imituje wygląd prawdziwych płytek. Każdy panel ma 4 mm grubości, w tym chroniącą przed zużyciem warstwę ścieralną o grubości 0.2 mm. Ten rodzaj podłogi doskonale nadaje się do wszystkich pomieszczeń, w tym kuchni i łazienek. Montaż produktu jest wyjątkowo prosty dzięki systemowi mocowania na klik. Produkt można także z łatwością przyciąć za pomocą noża z wysuwanym ostrzem, nie martwiąc się o bałagan. Uważamy, że podłogi powinny być projektowane z myślą o długim użytkowaniu, dlatego udzielamy 15-letniej gwarancji na nasz produkt • Kompozyt kamienno-polimerowy (SPC) • Przed przystąpieniem do pracy należy sprawdzić każde opakowanie pod kątem wad produkcyjnych. Wszelkie wady należy zgłaszać do sklepu w celu wymiany przed rozpoczęciem montażu podłogi. Do pomieszczeń o średnim natężeniu ruchu, takich jak sypialnie i salony. Ten rodzaj podłogi jest odpowiedni do użytku z systemami ogrzewania podłogowego z płaszczem wodnym o temperaturze do 27°C. Ten rodzaj podłogi nie jest przeznaczony do użytku w miejscach narażonych na długotrwałe bezpośrednie działanie promieni słonecznych, np. w ogrodach zimowych czy przy oknach wykuszowych • Narzędzia wymagane do montażu: elementy dystansowe (10mm), nóż wysuwany, poziomica, metrówka i gumowy pobijak • Wyprodukowano w ChRL • Wszystkie dane są przybliżone.

**RO** Pardoseala din vinil cu îmbinare click GoodHome Baila imită plăcile autentice. Fiecare placă are 4 mm grosime, cu un strat superior de 0.2 mm pentru a o proteja de uzură. Această pardoseală este perfectă pentru toate încăperile, inclusiv băi și bucătării. Este ușor de montat folosind sistemul simplu de îmbinare cu click; în plus, se poate tăia ușor cu un cutter utilitar, fără a face prea multă murdărie. Pardoseala trebuie fabricată să reziste, de aceea oferim o garanție de 15 ani pentru produsul nostru • Compozit din piatră și plastic (SPC) • Înainte de a începe, verifică fiecare pachet pentru a vedea dacă nu există defecte de fabricație. Orice defect trebuie semnalat magazinului, pentru ca produsul să fie înlocuit înainte de montarea pardoselii. Potrivită pentru trafic moderat, de ex. în dormitoare și camere de zi. Plăcile sunt de asemenea compatibile cu sisteme de încălzire prin pardoseală pe bază de apă de până la 27 °C. Această pardoseală nu este potrivită pentru utilizare în zone expuse la perioade îndelungate de lumină solară directă, de ex. sere sau lângă o fereastră de tip bovindou • Unelte necesare pentru montare: distanțiere (10mm), cutter utilitar, nivelă, rigă cu scală metrică și un ciocan de cauciuc • Fabricat în China • Toate valorile numerice sunt aproximative.
