GB: Place cover after rack is loaded with wood.

DE: Plaats het tentdoek nadat het rek met hout is geladen.

FR: Placez la couverture après que le plateau soit chargé de bois.

ES: Coloque la cubierta después de cargar el armazón con madera.

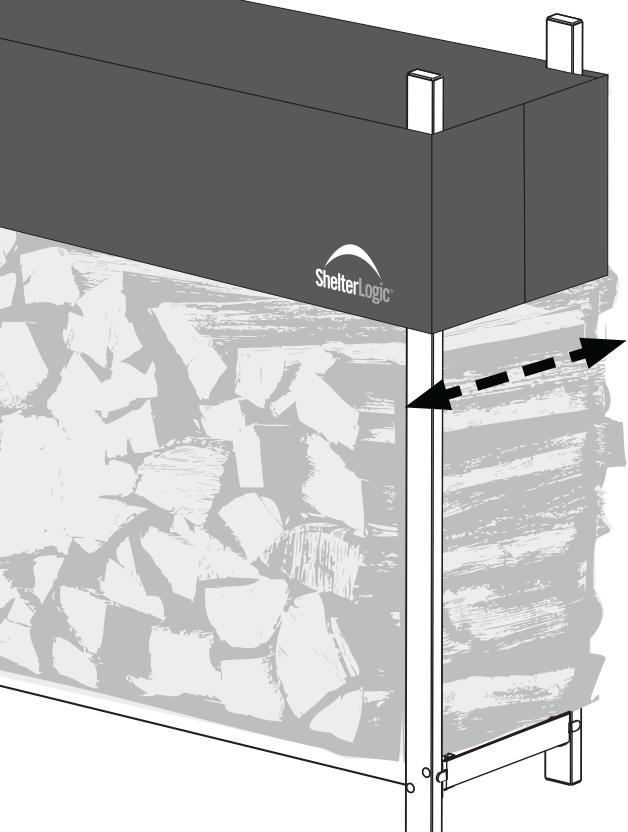

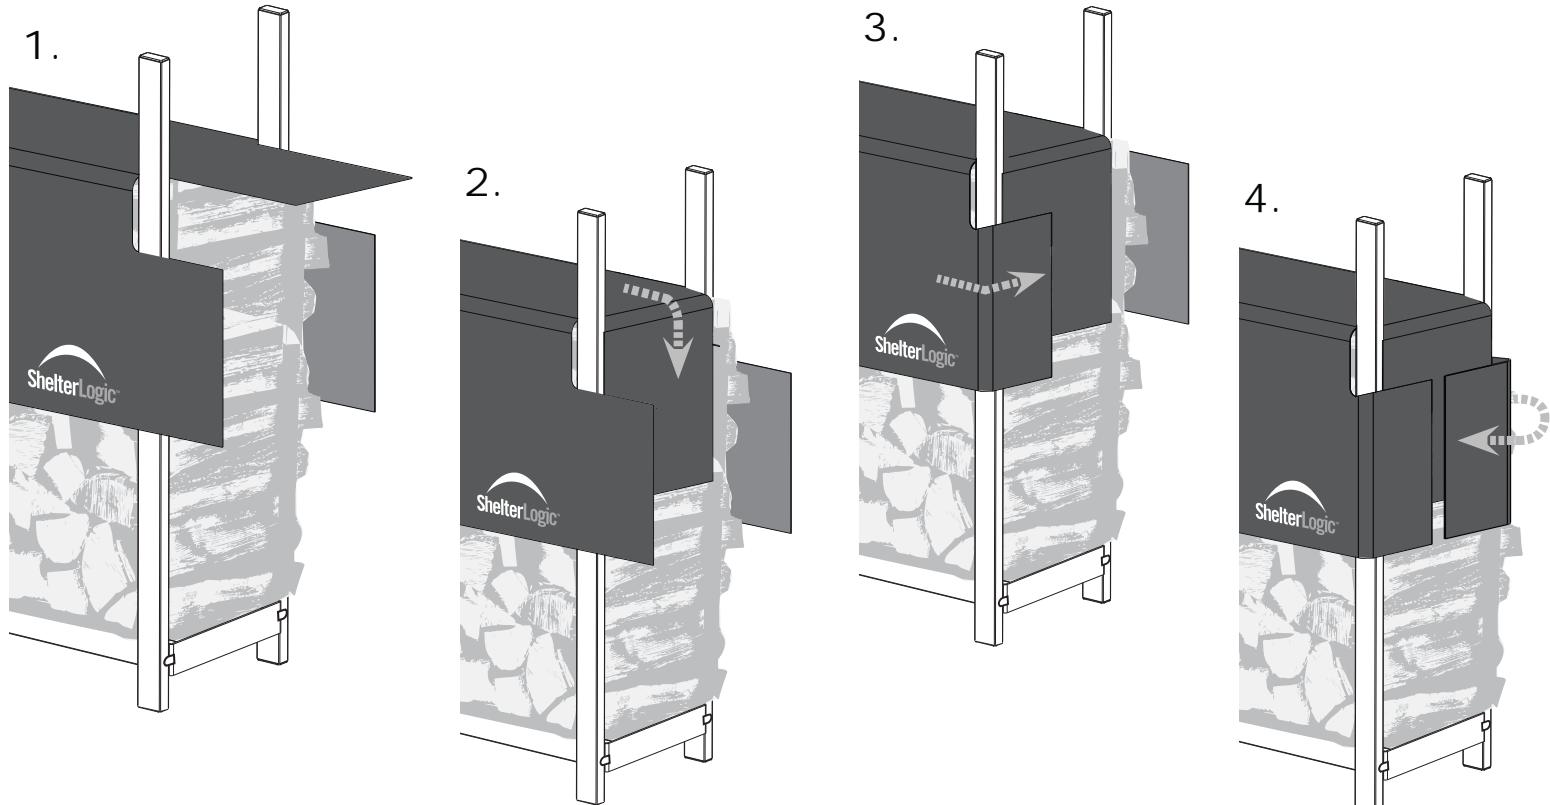

PT: Coloque a cobertura depois de carregar a lenha no suporte.

PL: Nałożyć pokrycie po umieszczeniu drewna na stojaku.

RU: Установить покрытие после загрузки хралища дровами.

TR: Rafa odunları dizdikten sonra kılıfı geçirin.

RO: Amplasați învelișul după ce coloana de suport a fost încărcată cu lemn.

GB: NOTE: Cover raises, lowers and expands to fit wood.

DE: NOTITIE: Het tentdoek gaat omhoog, omlaag en wordt breder al naar gelang de hoeveelheid hout.

FR: EMARQUE: la couverture se lève, se baisse et se déploie pour s'adapter au bois.

SP: NOTA: La cubierta se sube, se baja y se expande para adaptarse a la madera.

PT: NOTA: la copertura si alza, si abbassa e si estende per adattarsi alla legna.

PL: AVISO: A cobertura sobe, desce ou se expande para comportar a lenha.

RU: ПРИМЕЧАНИЕ: покрытие поднимается, опускается и расширяется, в соответствии с размером дров.

TR: NOT: Odun yüksekliğine göre ayarlamak için kılıfı yükseltebilir, alçaltabilir ve genişletebilirsiniz.

RO: INFORMARE : Învelișul se ridică, se coboară și se extinde pentru a corespunde lemnelor.
