Re : Declaration of information for chemical products

- Explosive precursors regulation 2019/1148
- Biocidal product regulation – article 95
- French decree on CMR substances 2007-157
- French decree on CMR substances 2021-395

Noting the regulations impacting chemical products, Castorama is collecting information to ensure that the product sold do not include prohibited substances, that for products under specific selling conditions, they are easily identified and that compliance with future regulation is anticipated.

Substances prohibited/restricted by the regulation

I, Christophe SPILMONT, responsible QHSE, declare that the products supplied to Castorama and listed below do not contain any substances listed in Annex I of the Explosive Precursors regulation 2019/1148 and comply with Article 95 of the Biocidal Product Regulation.
