Warranty Period and Conditions

This product is under warranty for 2 years as from the date of purchase. For normal, non-professional household use for the LED component in this product. The warranty shall only apply upon presentation of the Bill receipt or the invoice. Keep your proof of purchase in a safe place.

The warranty covers product breakdowns and malfunctions under the condition that the product is used in accordance with its intended use and subject to installation and maintenance in accordance with good practice and the information contained in the user's manual.

This product must be installed so that it may be later removed without damaging it.

This contractual warranty does not cover defects and damage caused by the natural wear of parts, bad weather, flooding, heat releases, freezing, damage caused by water quality (hardness, aggressiveness, corrosion, etc.), by the presence of foreign bodies transported by water or otherwise (land, fire, etc.) or the lack of proper ventilation, and damages that should be the consequence of improper use, misuse, negligence or maintenance that is defective or does not comply with good practice or the information in the user's manual.

The following are also excluded from the warranty: harmful consequences due to the use of accessories and/or non-original equipment manufacturer or improper replacement parts, disassembly.

The warranty is limited to those parts recognised as defective. Under no circumstances shall it cover fringe expenses (travel, labour) and direct or consequential damages. Guarantee related queries should be addressed to a store authorised by the distributor you purchased the product from.

This guarantee is not a condition for the use of other products.

FR
