AVERTISSEMENT:

Cette toile est une toile d'ombrage. Il est <u>indispensable</u> de la démonter en cas de fortes pluies, neige ou vent. Les trous d'évacuation permettent de limiter l'apparition de poches d'eau pouvant déformer l'armature sous le poids de celle-ci et déchirer la toile. En aucun cas nous ne garantissons la détérioration de la toile ou l'armature pour des raisons climatiques.
