Ø 6 mm

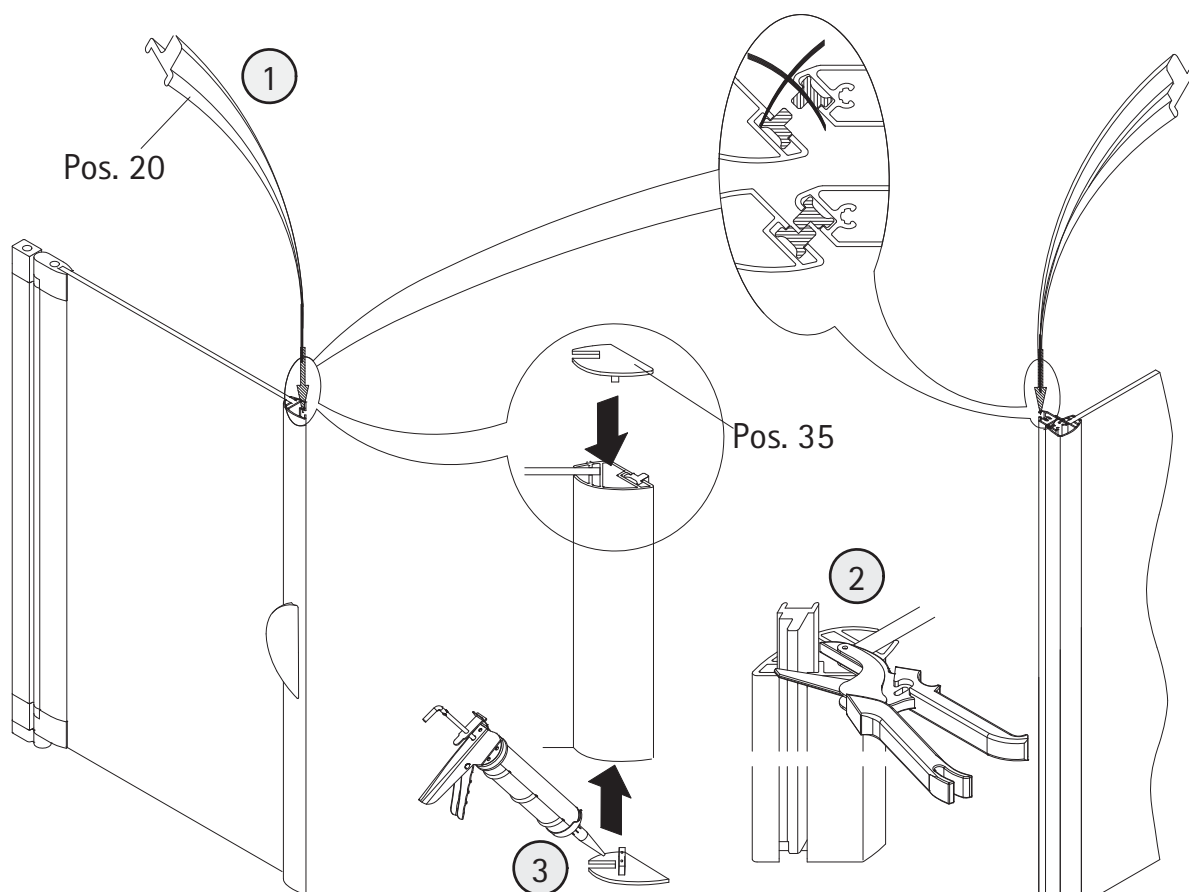

This diagram shows the first step of assembly: drilling holes in the side panels. Two power drills are shown, one on each side panel, drilling holes at the top and bottom corners. Dashed lines indicate the drilling points. The text 'Ø 6 mm' specifies the diameter of the holes. The shower pan is visible at the base of the enclosure.

Diagram illustrating the assembly of the front panel (Pos. 27) onto the main unit (Pos. 29). The panel is secured with screws (Pos. 16) and a clip (Pos. 28). A second step (2) shows the panel fully attached.
