

In more detail...

Bulb Changing

> Switch off the product (preferably, isolate it at the distribution board) and allow it to cool down for at least 10 minutes
(Caution: bulb gets hot during use).

Troubleshooting

When the bulb does not light after installation:

- > Ensure there is no electricity failure
- > Ensure all the connections are secure
- > Check the bulb
- If you have any doubt about installation/use of this product, consult a qualified electrician.

Technical information table

Supply Voltage	220-240V~50Hz
Bulb Type	3 x MAX 40W E27 GLS or lower energy equivalent. (Check bulb dimensions in relation to space available.)
	Class I product, must be connected to earth.
	Conformity with all relevant EC Directive requirements.
	Indoor Use Only.

Garantie

- > La structure de ce luminaire est garantie 3 ans (à compter de la date d'achat et sur présentation du ticket de caisse).
- > Nous déclinons toute responsabilité pour les dommages résultant d'une mauvaise installation ou utilisation du luminaire.
- > Ce produit ne doit pas être modifié; toute modification du produit peut le rendre dangereux et annule sa garantie.
