ENGLISH - For day-to-day cleaning, simply wipe the vanities with a soft, damp cloth and a little mild detergent if necessary. Avoid cleaning agents that include ammonia, alcohol, bleach or abrasives. Rinse afterwards with clean water and then dry with a clean, dry cloth. Do blot up spills immediately. Please avoid exposing the furniture to high concentrations of steam or other forms of moisture. Keeping your bathroom ventilated is highly recommended.

FRANÇAIS - Pour l'entretien habituel du meuble, veuillez nettoyer la surface avec un chiffon légèrement humidifié à l'eau et la sécher rapidement. Ne pas utiliser de lessives composées d'ammoniaque, d'alcool, d'eau de javel ou d'autres produits abrasifs. Il est recommandé de sécher toute eau stagnante. Evitez que le meuble soit exposé à des concentrations excessives de vapeur ou autres formes d'humidité. Nous vous recommandons une bonne ventilation dans votre salle de bain.

ESPAÑOL - Para el mantenimiento diario de su mueble, limpie la superficie con un paño ligeramente humedecido de agua y seque rápidamente. Evite detergentes que incluyan amoníaco, alcohol, lejía u otros abrasivos. Es conveniente secar cualquier derrame de agua que se haya producido. Evite exponer el mueble a excesivas concentraciones de vapor u otras formas de humedad. Le aconsejamos ventilar bien su cuarto de baño.

ITALIANO - Per la manutenzione giornaliera del prodotto, si consiglia di pulire la superficie con un panno leggermente inumidito in acqua ed asciugare a continuazione. Evitare detersivi che includano ammoniaca, alcool, candeggina o altri prodotti abrasivi. È conveniente asciugare qualsiasi fuoriuscita d'acqua. Evitare esporre il prodotto ad eccessive concentrazioni di vapore o altre forme d'umidità. Consigliamo inoltre di ventilare bene la stanza di bagno.

PORTUGUÊS - Para a manutenção diária dos seus móveis, limpe a superfície com um pano levemente humedecido com água e seque rapidamente. Evite detergentes que incluam amoníaco, álcool, lixívia ou outros abrasivos. É aconselhável secar qualquer derramamento de água que tenha ocorrido. Evite expor os móveis a concentrações excessivas de vapor ou outras formas de humidade. Aconselhamos que você ventile bem a sua casa de banho.

NEDERLANDS - Voor alledaags onderhoud, gelieve een zachte doek licht bevochtigd met lauwwater te gebruiken, eventueel aangevuld met een licht detergent. Vermijd het gebruik van detergenten die ammoniak, alcohol, bleek- of schuurmiddel bevatten. Achteraf goed afspoelen met zuiver water en meteen afdrogen. Vermijd zoveel mogelijk dat het meubel aan teveel vocht wordt blootgesteld. Een goede ventilatie in uw badkamer is noodzakelijk.
